

THEODORE GAWEL

5059 W. CRYSTAL STREET

CHICAGO, ST. ILL.

Well, Henry now that they shot
Gawel down, we will have to wait
and see if they get a Pawel. When
I get home and tell my folks
that a Polish Officer taught me
this poem about Pawel and Gawel
they will get a great kick out of
it. If you ever come to the States
you're always welcomed to my home.
Don't forget and drop around after
all this is over.
